we rangers remain  
faithful, but perhaps a  
little recognition by the  
crown would be welcome.

seems unending, unlike the  
health of those who work  
to free her riches  
constant inspections under  
the gulse of fact-finding  
makes one think you  
arent trusted.. put that  
in your report. smiles at  
you we fare well, but
